Yankton County Clerk of Courts
1st Judicial Circuit Court of South Dakota

HAUG, KEVIN ROBERT

has been arrested and charged with:

22-11-4 - Resisting Arrest

22-11-6 - Obstructing Officer, Jailer, Firefighter

22-42-5 - Possession of Controlled Substance

Probable cause for this arrest is as follows:

On June 10th, 2019 at approximately 0114 hours, I, Detective J. Erickson was on duty. I was in full uniform. I was driving a marked, Yankton Police Department patrol vehicle. I observed a male standing in the middle of 2nd Street near its intersection with Mulberry Street. I stopped to speak to the male.

The male identified himself as [REDACTED]. The male stated he had been threatened. He stated that Kevin Haug had threatened to kill him. He said Kevin also said that if he couldn't kill him, he would hire several Hispanics to do it.

[REDACTED] said that Kevin was in a white Ford Explorer with his wife around the corner. He said he could still see their headlights. He said that Kevin was smoking a meth pipe. I went drove around the corner, North on Mulberry Street to attempt to speak with Kevin.

I made contact with Kevin and [REDACTED] Haug. [REDACTED] was sitting in the driver's seat of the vehicle. Kevin was standing outside the passenger window. I advised Kevin why I was speaking with him. Kevin denied making any threats to [REDACTED].

Kevin did admit to speaking with [REDACTED]. He also began to say that [REDACTED] was trying to sleep with [REDACTED]. Kevin seemed very upset about this.

I asked Kevin if I could search his pockets. He stated that I could. In Kevin's right pocket, I felt a tube with a ball on the end. I pulled out the object. I located a small glass pipe with a burnt residue inside. Based upon my training, experience, and observations, I believed this pipe to be used for the inhalation of methamphetamine.

I set the pipe on the hood of the vehicle and attempted to continue to search Kevin. Kevin grabbed the pipe and threw it at the ground, shattering it. I ordered Kevin to get on the ground. Kevin would not comply. I drew my Taser and pointed it at him. Kevin continued to back away from me.

I ordered Kevin to the ground, Kevin would not comply. I advised the other officers that I needed additional assistance over the radio. I holstered my Taser. I grabbed hold of Kevin and placed him on the ground.

I placed handcuffs on Kevin's wrists, behind his person. I double locked them to ensure they did not become tight. I placed Kevin in my patrol car.

I spoke with [REDACTED]. She said that she had planned on leaving Kevin tonight and had bags packed in her car. She stated she did not use. I asked for consent to search the vehicle. She gave me consent. No illegal items were located.

[REDACTED] stated there were more drug items inside River City Tool and Pawn. He said he could show me right where it was. It was discovered that [REDACTED] was the manager of the store. It was unclear on whether or not [REDACTED] was still an employee or if he had been terminated.

I spoke with [REDACTED]. She advised that she and Kevin were the owner of the business. She stated she would allow us to search the business. We went to the door with [REDACTED] and [REDACTED]. I spoke with a male inside who was identified as [REDACTED]. I knew [REDACTED] also have the nickname [REDACTED]. I knew him to be on probation.

[REDACTED] stated that [REDACTED] was living in the basement and was using meth too. I spoke with [REDACTED]. He stated that he was on probation and that he lived in the basement of the store. I asked if we could search his residence. He stated we could.

[REDACTED] first led us into the store office. He said that Kevin kept the drugs in a cabinet under the desk. I opened the cabinet and located a plastic bag with a crystal substance inside. Based on my training, experience and observations, I believed the substance to be that of methamphetamine.

We went with [REDACTED] down to the basement. I located a living area. By the TV, I located a light bulb that had been taken apart. The bulb had a burnt residue inside of it. Based on my training, experience, and observations, I believed the light bulb to be used for the inhalation of methamphetamine.

When confronted, [REDACTED] began to say that he didn't live downstairs and he actually lived in one of the stores storage bays. I placed [REDACTED] under arrest.

The bag and light bulb were field tested and showed a presumptive indication for methamphetamine.

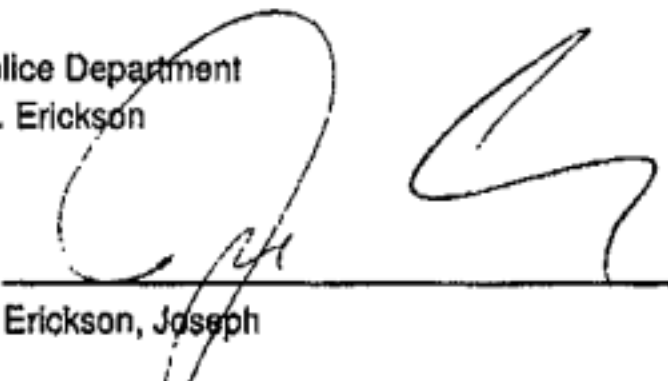

Kevin was arrested for Possession of a Controlled Substance (SDCL 22-42-5), Resisting Arrest (22-11-4) and Obstruction (22-11-6).

[REDACTED] was arrested for Possession of a Controlled Substance (SDCL 22-42-5).
